The above information will be used to create a toile (mock-up) which will be fitted to the customer. If assistance is needed, please request a Skype session so we can ensure the measurements taken as accurate as possible. If pictures are sent with your measurements these will only be shared between those working on your costume and will not be shared online or on social media.

If the customer cannot attend fittings these measurements will be used to create the final costume. Meridith Towne holds no responsibility should the costume not fit accurately if no fittings are attended.

Looking forward to creating your costume!
