## Measurements

Date

Valid Until

Deadline

Customer ID

Customer Details	Guide
------------------	-------

Please fill in this form as fully and accurately as possible. Measurements in inches are preferred, though not essential. You'll find the measurements we need for your costumes have a tick next to them. So don't panic, you don't have to do them all!

If in doubt about any of these measurements, please contact Meridith Towne who will be happy to help.

UK Dress Size	UK Top Size	UK Bottom Size	UK Bra Size
---------------	-------------	----------------	-------------

Measurements	Required?	INCHES/CM
--------------	-----------	-----------

HEIGHT	Full body height without shoes.	✓	
BUST	Taken around the fullest point of the bust. Wear the same style of bra/underpinnings you will wear with the costume.	✓	
WAIST	Tie a cord/elastic/belt around your waist, move around a little to let it settle then take the measurement.	✓	
HIP (BOTTOM)	The fullest part of the bottom/hips. This is not where your hip bones are.	✓	

Additional Measurements			
-------------------------	--	--	--

WAIST TO HIP	From your waist to in line with the fullest point of your hip.	✓	
NECK	Around your neck as for a shirt collar.		
BACK OF NECK TO WAIST	Drop your head forwards. Find the bump at back of the neck and take measurement from there to your waist, contouring into the shape of the back.	✓	
ACROSS SHOULDERS	From shoulder point to other shoulder point	✓	
ARM LENGTH	From the edge of shoulder, down the arm to wrist. Place your hand on your hip, with the thumb facing forwards.	✓	
MID-SHOULDER TO BUST POINT	From point half way between base of the neck and shoulder point. Take measurement to bust point (roughly where the nipple is).		
UPPER ARM	Around the widest point of the arm.	✓	
SKIRT LENGTH	From the waist down to the required length. Note for full length skirts it is important this measurement is taken wearing the shoes that will accompany the costume.	✓	

The above information will be used to create a toile (mock-up) which will be fitted to the customer. If assistance is needed, please request a Skype session so we can ensure the measurements taken as as accurate as possible. If pictures are sent with the measurements these will only be shared between those working on your costume and will not be shared online or on social media.

If the customer cannot attend fittings these measurements will be used to create the final costume. Meridith Towne holds no responsibility should the costume not fit accurately if no fittings are attended.

### Looking forward to creating your costume!
